

***Is your diabetes getting the best of you?***

**Take  
Control  
Of Your  
Diabetes  
NOW!**

The **Diabetes Self-Management PLUS\* Program** is a 6-week FREE, evidence based workshop created by Stanford University, provides an interactive environment where mutual support and success builds your confidence to effectively manage your diabetes and maintain an active lifestyle. All participants receive a companion book, *Living a Healthy Life With Chronic Conditions*. Workshop topics include:

- techniques to deal with symptoms of diabetes including fatigue, pain, hyper/hypoglycemia, stress, and emotional problems like depression, anger, fear and frustration
- appropriate use of medication and medication management
- communicating more effectively with health care providers
- **PLUS\* appropriate exercises for maintaining strength and endurance**
- **PLUS\* nutrition and healthy eating strategies specific to diabetes**

***Feel better. Be in control. Do the things you want to do.***
