

Take Control Of Your Diabetes NOW!

The **Diabetes Self-Management Program** is a 6-week FREE, evidence-based workshop. Enjoy an interactive environment where mutual support and success builds your confidence to effectively manage your diabetes. Participants receive a companion book, *Living a Healthy Life With Chronic Conditions*.

Workshop topics include:

- Techniques to deal with symptoms of diabetes including fatigue, pain, hyper/hypoglycemia, stress, depression, and anger
- Appropriate use of medication and medication management
- Importance of proper nutrition and physical activity

Feel better. Be in control. Do the things you want to do.
