### Agreement for Respite Services for this event

I \_\_\_\_\_ (Caregiver) for \_\_\_\_\_ (Care Recipient) understand that the Statewide Respite Care Program will be offering respite services for caregivers attending the workshop. This respite will be provided by We Care Adult Care and paid for by the SRCP program. This is a onetime service through the SRCP as part of the SCAN workshop and is available from 11:00am to 4:30pm on September 6, 2019. I understand that this agreement does not mean that I am eligible or going to receive Statewide Respite Care Services. I can apply to the program through the formal application process if I would like to be a participant of the SRCP.
